Nightjet Next Generation **Family**

The image shows the interior of a train sleeper compartment. On the left, there is a staircase with wooden steps and a metal handrail. The main area features a brown upholstered bench seat with a red pillow. Above the seat is a wooden bunk bed with a red pillow. A window on the right shows a blurred landscape of green hills and mountains. On the wall, there is a magazine rack with a magazine titled 'rail' and 'BERG WELTEN', a red fire extinguisher, and a small lamp. A wooden table is positioned in front of the seat.
