OVERVIEW OF THE COMMISSION'S INITIATIVES ON MULTIMODAL PASSENGER MOBILITY

08/04/2022

DG MOVE – Unit B4

Sustainable and Smart Mobility Strategy

"By 2030, seamless multimodal passenger transport will be facilitated by integrated electronic ticketing"

EU framework for the deployment of Multimodal Digital Mobility Services (MDMS)

2021

1. Revision of the ITS Directive 2010/40/EU (action 38)

2022

2. Multimodal Passenger Mobility Forum (MPMF)

2022

3. Revision of Delegated Regulation 2017/1926 on Multimodal Travel Information Services – MMTIS (action 36)

2022

4. New proposal to support the development of MDMS (action 37)
KEY INITIATIVE 2022-2023

Articulated with modal developments:
TAP-TSI (rail) and CRS-Code of Conduct (aviation)
And horizontal developments:
Data Act

European Commission

Revision of Delegated Regulation on MMTIS

- MMTIS revision: should focus on further enhancing the development of **information services** and will focus on the **technical aspects**:

2022

3. Revision of Delegated Regulation 2017/1926 on MMTIS (action 36)

➢ **Accessibility of dynamic data** (as listed in the Annex of Delegated Regulation (EU) 2017/1926);

➢ Updating the list of data to be made accessible (**including new data types**) pursuant to Delegated Regulation (EU) 2017/1926;

➢ Requiring the use of certain **standards for payment and booking interfaces**;

➢ Ensure alignment with data categories of RTTI Delegated Regulation;

European Commission

MDMS initiative

- [MDMS proposal](#) (new legal basis): should focus on **ticketing / booking / payment services (intermediaries)** and will focus on the **market aspects**:

    ➤ **Problem driver 1:** Unwillingness to cooperate between operators and MDMS

    ➤ **Problem driver 2:** Commercial and technical challenges to establish viable, scalable and high quality MDMS

    ➤ **Problem driver 3:** Lack of commercial incentives to help improve the performance of the transport system in terms of efficiency, resilience and sustainability

4. New proposal to support the development of MDMS (action 37)
KEY INITIATIVE 2022-2023

European Commission

MDMS initiative

- Multimodal Passenger Mobility Forum:

  - Three informal subgroups created to support the MDMS initiative

    - ➢ **Thematic 1 - Aligning MDMS with public policy goals (including issues related to sustainability and accessibility)**

    - ➢ **Thematic 2 - Facilitating cooperation between operators and MDMS**

    - ➢ **Thematic 3 – Enhancing cooperation**

Multimodal Passenger Mobiltiy Forum

European Commission

Next steps

- The IA study is on-going. Stakeholders consultation have started.

- Second stakeholder workshop held on 19th April:

    - In this workshop, the Commission and the contractors for the support study (led by Ricardo), discussed the state of play of the support study and focused on the emerging draft policy measures.

- Third stakeholder workshop: planned for mid-June
