

Non-Personal Data in the Electricity Sector: a Key Asset for Private Companies and Public Authorities

*11th FSR Annual Conference
From Data Spaces to Data Governance
9 - 10 June 2022*

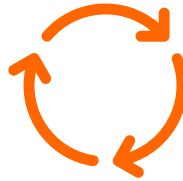

Antoine Donne,
Senior Legal Counsel at EPEX SPOT. PhD candidate at Université Paris Dauphine PSL,
Florence, 9 June 2022

Data, a key support in the energy transition

Data, a key asset coveted by companies

Data, a legal requirement to operate for companies

For all businesses, which justifies rules on B2B data sharing

Data, a key asset coveted by authorities

From State-as-regulator

To State-as-platform
