

# FSR Alumni Day

**25 October 2024**

Refettorio - Badia Fiesolana, Via dei Roccettini 9 - San Domenico di Fiesole (Fiesole, Florence)

*Event Coordinator:*

**Daniela Bernardo** | Florence School of Regulation / Robert Schuman Centre / European University Institute

*Logistic Organiser:*

**Baptiste Alfano** | Florence School of Regulation / Robert Schuman Centre / European University Institute

## Introduction

### **The FSR welcomes the Alumni community in Florence**

Following the success of the [first edition](#), we are delighted to announce the 2nd FSR Alumni Day. This event will offer former alumni a unique opportunity to reconnect and stay updated on the latest policy developments in fields they previously studied.

### **An annual event in Florence to welcome the Alumni community**

Since its establishment in 2004, the FSR has been training more than 10.000 participants. In 2014, the FSR launched its first online course and since then, more than 60 online courses have been welcoming energy professionals and academics from worldwide.

To hear back from our community of Alumni and celebrate their successful paths, we designed a special event gathering participants from all our courses, course directors, instructors, and coordinators in a friendly atmosphere to offer an additional learning experience.
