

FSR Climate Annual Conference 2024

28-29 November 2024

Refectory - Badia Fiesolana, Via dei Roccettini 9 - San Domenico di Fiesole (Fiesole, Florence)

Organised by the [Climate – Florence School of Regulation](#)

Introduction

The FSR Climate is pleased to announce its **10th Annual Conference on the Economic Assessment of European Climate Policies** to take place at the European University Institute in Florence on 28-29 November 2024.

The conference will cover some of the main climate policies at EU, national and subnational levels and will include a keynote speech as well as parallel sessions and plenary speeches focusing on the topics of carbon pricing, the energy transition, biodiversity and ecosystems.

The Conference will be chaired by Simone Borghesi, Director of the [FSR Climate](#), Deputy Rector for International Relationships at the [University of Siena](#), and President of the [European Association of Environmental and Resource Economists \(EAERE\)](#).

The Keynote Lecture will be given by Maria Loureiro (University of Santiago de Compostela). The plenary speakers include Xavier Labandeira (University of Vigo) and Michael Pahle (Potsdam-Institute for Climate Impact Research).
