

Draft Programme

Conference on Evidence-Based Climate Policies

1 December 2025 in Florence, Italy (followed by the FSR Climate Conference 2-3 December 2025 – event page [here](#)).

LIFE COASE Final Conference

09:30-09:40 | Opening and Introduction

09:40-10:25 | 20 years of EU ETS data: limits and prospects

Chair: Simone Borghesi (European University Institute, University of Siena)

- Maire Raude (European University Institute/Climate Economics Chair/Paris Nanterre University)
- Jan Abrell (University of Basel)

10:25-10:55 | *Coffee break*

10:55-11:55 | Two decades of EU ETS: Are we witnessing a domino effect on carbon markets?

Chair: Lea Heinrich (European University Institute)

- Hannah Lewis (UK Department of Energy Security and Net Zero)
- Ruben Vermeeren (European Commission, DG Climate Action)
- Theresa Wildgrube (adelphi)

11:55-13:05 | Distributional impacts of carbon pricing: what can be done?

Chair: Albert Ferrari (European University Institute)

- Lidia Tamellini (Carbon Market Watch)
- Jan Nill (European Commission, DG ECFIN)
- Iva Zvěřinová (Charles University)
- Simone Borghesi (European University Institute, University of Siena)

13:05-14:15 | *Lunch*

CAPABLE Final Conference

14:15-14:30 | Opening and Introduction

- Johannes Emmerling (Centro Euro-Mediterraneo sui Cambiamenti Climatici - CMCC)
- Mary Sanford (Centro Euro-Mediterraneo sui Cambiamenti Climatici - CMCC)

14:30-15:40 | Social acceptability and feasibility of climate policies: insights and implications

Chair: Milan Ščasný (Charles University)

- Keith Smith (ETH Zurich)
- Mary Sanford (Centro Euro-Mediterraneo sui Cambiamenti Climatici - CMCC)
- Gregor Erbach (European Parliamentary Research Service - EPRS)

15:40-16:10 | *Coffee break*

16:10-17:20 | Is carbon pricing effective and credible? Evidence from recent studies

Chair: Simone Borghesi (European University Institute, University of Siena)

- Kai Lessman (Potsdam Institute for Climate Impact Research - PIK)
- Misato Sato (London School of Economics)
- Maria Garrone (European Commission, DG GROW)
- Alienor Cameron (European University Institute, OECD)

17:20-18:00 | Networking session on future research avenues

18:00-18:15 | Conclusions

- Massimo Tavoni (Centro Euro-Mediterraneo sui Cambiamenti Climatici - CMCC)
- Simone Borghesi (European University Institute, University of Siena)

19:00 | *Aperitivo*
